## Specifications

### General Characteristics

|                   |                                                                                                                                        |
|-------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| Accessory type    | Protective cap                                                                                                                         |
| Suitable for      | Circular connector with external thread, M23 Fast Ethernet PoE, M23 Hybrid Type 1, M23 Power, M23 RJ45, M23 Signal (except TWILOCK/-S) |
| Length            | 70                                                                                                                                     |
| Shape             | Round                                                                                                                                  |
| Locking type      | Screw                                                                                                                                  |
| Seal type         | O-Ring                                                                                                                                 |
| Protection class  | IP67/IP69K                                                                                                                             |
| Temperature range | -40 to +125                                                                                                                            |
| Remark            | Length 70 mm                                                                                                                           |

### Material

|                        |                     |
|------------------------|---------------------|
| Material               | Nickel-plated brass |
| Material seals/o-rings | NBR                 |
