

Product data sheet

Hummel connectors

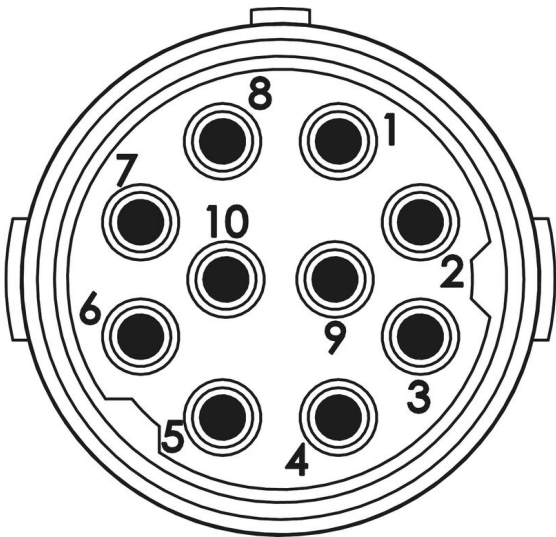

Inserts 10-pole

Pins

7.053.910.101

<https://www.ac-solutions.be/en/product/7053910101>

Specifications

General Characteristics

Size	M16
Gender	Male
Upper temperature	+125 °C
Lower temperature	-40 °C
Locking	Screw locking Twilock
Protection degree	IP67/IP69K
Wire section	0,14-0,75 mm²
Terminal type	Crimp
Contact diameter	1 mm

Electrical Parameters

Nominal voltage (degree of pollution 3)	160 V~
Test voltage	1500 V~
Nominal current	8 A
Insulation resistance	> 10?

Product data sheet

Hummel connectors

Inserts 10-pole

Max. contact resistance

3 m?

Material

Material

Thermoplastic Polyamid PA 6/Fire protection class V-0
