Product data sheet

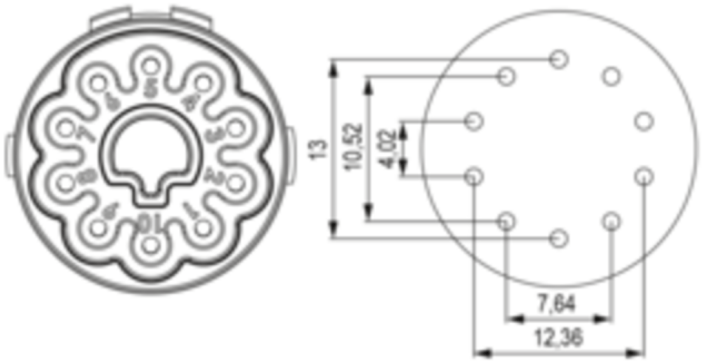

HUMMEL connectors

Inserts 10-pole

Pins, power

7.084.910.101
https://www.ac-solutions.be/en/product/7084910101

Specifications

General Characteristics

Size	M23 Power
Number of contacts	10
Gender	Male
Upper temperature	+125 °C
Lower temperature	-40 °C
Locking	Screw locking | Twilock
Protection degree	IP67/IP69K
Mating cycles	>1000
Wire section	0,14-1,5 mm²
Terminal type	Crimp
Contact diameter	1 mm

Electrical Parameters

Nominal voltage (degree of pollution 3)	160 V~
Test voltage	2500 V~

Product data sheet

HUMMEL connectors

Inserts 10-pole

Nominal current	10 A
Insulation resistance	> 10^{13}
Max. contact resistance	3 m?

Material

Material	Thermoplastic Polyamid PA 6/Fire protection class V-0
