## Specifications

### General Characteristics

|                           |            |
|---------------------------|------------|
| Size                      | M23 Signal |
| Gender of required insert | Male       |
| Upper temperature         | 125 °C     |
| Lower temperature         | -40 °C     |
| Connector locking system  | Screw      |
| Protection degree         | IP67/IP69K |
| Mating cycles             | > 1000     |
| Thread                    | M20 x 1,5  |

### Material

|                  |                                |
|------------------|--------------------------------|
| Housing material | Copper-Zinc alloy, Die casting |
| Housing plating  | Nickel plated                  |
