## Specifications

### General Characteristics

|                           |                       |
|---------------------------|-----------------------|
| Size                      | M23 Signal            |
| Gender of required insert | Male/Female           |
| Upper temperature         | 125 °C                |
| Lower temperature         | -40 °C                |
| Connector locking system  | Screw                 |
| Protection degree         | IP67/IP69K            |
| Mating cycles             | > 1000                |
| Holes                     | 4 holes 2,7 mm        |
| Remark 1                  | Optional: Flat gasket |

### Material

|                  |                                |
|------------------|--------------------------------|
| Housing material | Copper-Zinc alloy, Die casting |
| Housing plating  | Nickel plated                  |
