## Specifications

### General characteristics

|                             |                           |
|-----------------------------|---------------------------|
| Enclosure type              | Bulkhead mounting housing |
| Size                        | 44.27                     |
| Enclosure series            | V-TYPE                    |
| Closing type                | With 1 lever              |
| Locking mechanism           | Single locking lever      |
| Protection degree           | IP66 / IP67 / IP69        |
| Operation lower temperature | -40 °C                    |
| Operation upper temperature | 125 °C                    |
| Cable entry type            | without cable entry       |
| Position cable feed         | Without cable entry       |
| Height                      | 29 mm                     |
| Width                       | 45.5 mm                   |
| Length                      | 82.5 mm                   |

### Material

|                                                            |                                                   |
|------------------------------------------------------------|---------------------------------------------------|
| Material housing                                           | Die cast aluminium alloy                          |
| Coating housing                                            | With epoxy-polyester thermosetting powder coating |
| Inflammability class of insulation material acc. with UL94 | V2                                                |
