## Specifications

### General characteristics

|                             |                                                                          |
|-----------------------------|--------------------------------------------------------------------------|
| Enclosure type              | Bulkhead mounting housing                                                |
| Size                        | 44.27                                                                    |
| Enclosure series            | C-TYPE                                                                   |
| Closing type                | With 2 pegs                                                              |
| Locking mechanism           | Single locking lever                                                     |
| Protection degree           | IP65                                                                     |
| Ambient lower temperature   | -40 °C                                                                   |
| Ambient upper temperature   | 125 °C                                                                   |
| Operation lower temperature | -40 °C                                                                   |
| Operation upper temperature | 125 °C                                                                   |
| Cable entry type            | without cable entry                                                      |
| Position cable feed         | Without cable entry                                                      |
| Height                      | 29 mm                                                                    |
| Width                       | 45.5 mm                                                                  |
| Length                      | 82.5 mm                                                                  |
| Remark                      | May be combined with enclosures: CHO 06 LX,CHV 06 LX,CHO 06 LX,CHV 06 LX |
