## Specifications

### General characteristics

|                             |                           |
|-----------------------------|---------------------------|
| Enclosure type              | Hood                      |
| Size                        | 21.21                     |
| Enclosure series            | CK                        |
| Closing type                | With 2 pegs               |
| Locking mechanism           | Single locking lever      |
| Protection degree           | IP44   IP66 / IP67 / IP69 |
| Ambient lower temperature   | -40 °C                    |
| Ambient upper temperature   | 125 °C                    |
| Operation lower temperature | -40 °C                    |
| Operation upper temperature | 125 °C                    |
| Cable entry type            | side cable entry          |
| Cable entry size            | Pg11                      |
| Position cable feed         | Side entry                |
| Height                      | 50 mm                     |
| Width                       | 26.5 mm                   |
| Length                      | 35 mm                     |
