## Specifications

### General characteristics

|                             |                           |
|-----------------------------|---------------------------|
| Enclosure type              | Bulkhead mounting housing |
| Size                        | 44.27                     |
| Enclosure series            | IL-BRID                   |
| Closing type                | With 1 lever              |
| Locking mechanism           | Single locking lever      |
| Protection degree           | IP65                      |
| Ambient lower temperature   | -40 °C                    |
| Ambient upper temperature   | 125 °C                    |
| Operation lower temperature | -40 °C                    |
| Operation upper temperature | 125 °C                    |
| Cable entry type            | without cable entry       |
| Position cable feed         | Without cable entry       |
| Height                      | 92.5 mm                   |
| Width                       | 45.5 mm                   |
| Length                      | 82.5 mm                   |

## Material

|                  |                 |
|------------------|-----------------|
| Material housing | Stainless steel |
|------------------|-----------------|
