Specifications

General characteristics

Accessory type	Termination connector
Size	21.21
Closing type	With 2 pegs
Nominal rated voltage	400 V
Number of poles	4
Pollution degree	3
Contact type (gender)	Male
Remark	For CQF 12 inserts
Remark 2	With pegs and seal, for connection of pole 5 with pole 6 and pole 7 with pole 8

Electrical parameters

Max. rated current	10 A
Rated surge voltage	6 kV
