## Specifications

### General characteristics

|                             |                       |
|-----------------------------|-----------------------|
| Product Type                | Standard insert       |
| Insert series               | CQ                    |
| Number of contacts          | 12 + PE               |
| Number of poles             | 12 + PE               |
| Connection type             | Crimp connection      |
| Gender                      | Male                  |
| Size                        | 21.21                 |
| Operation lower temperature | -40 °C                |
| Operation upper temperature | 125 °C                |
| Diameter male contact       | 1 mm                  |
| Colour                      | Grey                  |
| Remark                      | +1PE thicker: CDMA 6A |

### Electrical parameters

|                       |       |
|-----------------------|-------|
| Max. rated current    | 7 A   |
| Nominal rated voltage | 250 V |
| Rated surge voltage   | 4 kV  |
| Pollution degree      | 3     |

# Product data sheet

## Ilme connectors - CQ 12 P + PE

male insert, size 21.21, 12p+PE, 7,5A, 250V, for CIF Q12 2.4

### Material

|                                                            |               |
|------------------------------------------------------------|---------------|
| Material insert                                            | Thermoplastic |
| Inflammability class of insulation material acc. with UL94 | V0            |
