## Specifications

### General characteristics

|                             |                          |
|-----------------------------|--------------------------|
| Accessory type              | Bridge                   |
| Operation lower temperature | -40 °C                   |
| Operation upper temperature | 125 °C                   |
| Colour                      | Light blue               |
| Nominal rated voltage       | 50 V                     |
| Number of poles             | 6                        |
| Pollution degree            | 3                        |
| Remark                      | For CDSH-SQUICH® inserts |

### Electrical parameters

|                     |        |
|---------------------|--------|
| Max. rated current  | 10 A   |
| Rated surge voltage | 0.8 kV |
