## Specifications

### General characteristics

|                             |                |
|-----------------------------|----------------|
| Product type                | Modular insert |
| Insert series               | Mixo Data      |
| Number of contacts          | 9              |
| Connection type             | D-SUB          |
| Gender                      | Female         |
| Number of module slots      | 1              |
| Operation lower temperature | -40 °C         |
| Operation upper temperature | 70 °C          |
| Colour                      | Grey           |

### Electrical parameters

|                       |        |
|-----------------------|--------|
| Max. rated current    | 5 A    |
| Nominal rated voltage | 50 V   |
| Over voltage category | III    |
| Rated surge voltage   | 0.8 kV |
| Pollution degree      | 3      |

### Material

|                 |               |
|-----------------|---------------|
| Material insert | Thermoplastic |
|-----------------|---------------|
