## Specifications

### General characteristics

|                             |                      |
|-----------------------------|----------------------|
| Enclosure type              | Hood                 |
| Size                        | 104.27               |
| Enclosure series            | C-TYPE               |
| Closing type                | With 1 lever         |
| Locking mechanism           | Single locking lever |
| Protection degree           | IP65 / IP66 / IP69   |
| Ambient lower temperature   | -40 °C               |
| Ambient upper temperature   | 125 °C               |
| Operation lower temperature | -40 °C               |
| Operation upper temperature | 125 °C               |
| Cable entry type            | side cable entry     |
| Cable entry size            | M40                  |
| Position cable feed         | Side entry           |
| Height                      | 79 mm                |
| Width                       | 45 mm                |
| Length                      | 120 mm               |

## Ilme connectors

hood, high, size 104.27, C-TYPE alu, 1 lever, 1xM40 side, no adaptor

|                                                            |                                                   |
|------------------------------------------------------------|---------------------------------------------------|
| Material housing                                           | Die cast aluminium alloy                          |
| Coating housing                                            | With epoxy-polyester thermosetting powder coating |
| Inflammability class of insulation material acc. with UL94 | V2                                                |
