## Specifications

### General characteristics

|                             |                              |
|-----------------------------|------------------------------|
| Enclosure type              | Hood                         |
| Size                        | 77.27                        |
| Enclosure series            | IL-BRID                      |
| Closing type                | With 2 levers                |
| Locking mechanism           | Double locking levers        |
| Protection degree           | IP65 / IP66 / IP69           |
| Ambient lower temperature   | -40 °C                       |
| Ambient upper temperature   | 125 °C                       |
| Operation lower temperature | -40 °C                       |
| Operation upper temperature | 125 °C                       |
| Cable entry type            | top cable entry with adapter |
| Cable entry size            | M32                          |
| Position cable feed         | Top entry                    |
| Height                      | 113 mm                       |
| Width                       | 45 mm                        |
| Length                      | 93 mm                        |
