## Specifications

### General characteristics

|                             |                          |
|-----------------------------|--------------------------|
| Enclosure type              | Surface mounting housing |
| Size                        | 57.27                    |
| Enclosure series            | 180°C                    |
| Closing type                | With 2 levers            |
| Locking mechanism           | Double locking levers    |
| Protection degree           | IP65                     |
| Ambient lower temperature   | -40 °C                   |
| Ambient upper temperature   | 180 °C                   |
| Operation lower temperature | -40 °C                   |
| Operation upper temperature | 180 °C                   |
| Cable entry type            | side cable entry         |
| Cable entry size            | M32                      |
| Position cable feed         | Side entry               |
| Height                      | 74 mm                    |
| Width                       | 57 mm                    |
| Length                      | 94 mm                    |
