## Specifications

### General characteristics

|                             |                                                                                              |
|-----------------------------|----------------------------------------------------------------------------------------------|
| Enclosure type              | Hood                                                                                         |
| Size                        | 49.16                                                                                        |
| Enclosure series            | IL-BRID                                                                                      |
| Closing type                | With 2 pegs                                                                                  |
| Locking mechanism           | Single locking lever                                                                         |
| Protection degree           | IP66 / IP67 / IP69                                                                           |
| Ambient lower temperature   | -40 °C                                                                                       |
| Ambient upper temperature   | 125 °C                                                                                       |
| Operation lower temperature | -40 °C                                                                                       |
| Operation upper temperature | 125 °C                                                                                       |
| Cable entry type            | top cable entry                                                                              |
| Cable entry size            | M25                                                                                          |
| Position cable feed         | Top entry                                                                                    |
| Height                      | 64.5 mm                                                                                      |
| Width                       | 36 mm                                                                                        |
| Length                      | 63 mm                                                                                        |
| Remark                      | Enclosure without adaptor, threaded on the body, to be used only with a complete cable gland |
