## Specifications

### General characteristics

|                             |                      |
|-----------------------------|----------------------|
| Enclosure type              | Hood                 |
| Size                        | 49.16                |
| Enclosure series            | EMC                  |
| Closing type                | With 2 pegs          |
| Locking mechanism           | Single locking lever |
| Protection degree           | IP65 / IP66 / IP69   |
| Ambient lower temperature   | -40 °C               |
| Ambient upper temperature   | 125 °C               |
| Operation lower temperature | -40 °C               |
| Operation upper temperature | 125 °C               |
| Cable entry type            | top cable entry      |
| Cable entry size            | M20                  |
| Position cable feed         | Top entry            |
| Height                      | 62 mm                |
| Width                       | 29.4 mm              |
| Length                      | 63 mm                |
