## Specifications

### General characteristics

|                             |                           |
|-----------------------------|---------------------------|
| Enclosure type              | Bulkhead mounting housing |
| Size                        | 57.27                     |
| Enclosure series            | T-TYPE                    |
| Closing type                | With 2 levers             |
| Locking mechanism           | Double locking levers     |
| Protection degree           | IP65                      |
| Ambient lower temperature   | -40 °C                    |
| Ambient upper temperature   | 90 °C                     |
| Operation lower temperature | -40 °C                    |
| Operation upper temperature | 90 °C                     |
| Cable entry type            | without cable entry       |
| Position cable feed         | Without cable entry       |
| Height                      | 27 mm                     |
| Width                       | 46.5 mm                   |
| Length                      | 116 mm                    |

### Material

|                  |               |
|------------------|---------------|
| Material housing | Thermoplastic |
|------------------|---------------|
