

Product data sheet

Techno connectors

Current distributor Plug & Socket screw

IP66/IP68

THH.625.A2B

<https://www.ac-solutions.be/en/product/thh625a2b>

Specifications

General Characteristics

Series	TEEBOX CURRENT DISTRIBUTORS
Subseries	TH625
Number of contacts	2
Contact terminals	Screw
Cable entries/exits	4 ways
Protection degree	IP66/IP68
Lower temperature	-40 °C
Upper temperature	+100 °C
Pollution degree	2
Note	Plug and socket connectors are not included, To be ordered separately
Standards	EN61984:2009
Tracking index	PTI 175

Electrical parameters

Rated current	10 A
---------------	------

Product data sheet

Techno connectors

Current distributor Plug & Socket screw

Rated voltage	500 V
Impulse withstand voltage	2.5 kV

Material

Impulse withstand category	II
Distributor and connector housing	PA66 GF UL94 V0
Seals	TPE
Contact screw terminals	Silver plated
