## Specifications

### General Characteristics

|                    |                                    |
|--------------------|------------------------------------|
| Number of contacts | 8                                  |
| Connector shape    | Panel mount                        |
| Gender             | Female                             |
| Color              | Black                              |
| Upper temperature  | 80 °C                              |
| Lower temperature  | -25 °C                             |
| IP Protection      | IP66/IP67                          |
| Mating cycles      | 200 Times                          |
| Connector diameter | 9,7 x 9,7 mm                       |
| Terminal type      | Straight PCB contacts              |
| Remark             | Other cable length/type on request |

### Electrical Parameters

|                            |                   |
|----------------------------|-------------------|
| Rated current              | 2 A               |
| Rated voltage              | 48 V AC / 60 V DC |
| Max. insulation resistance | ?20 M?            |
| Max. contact resistance    | ?10 m?            |

### Material

|                     |                  |
|---------------------|------------------|
| Material of contact | Copper Alloy     |
| Contact plating     | Gold over Nickel |
