## Specificaties

### General Characteristics

|                                           |                                                                                     |
|-------------------------------------------|-------------------------------------------------------------------------------------|
| Series                                    | TEEBOX                                                                              |
| Color                                     | white                                                                               |
| Min-max cable diameter                    | 2,0 - 3,5 mm                                                                        |
| Min-max cable diameter with nut reduction | Rid. Ø 6 diameter 1,5 - 2,0 Rid. Ø 7,5 diameter 2,0 - 3,0                           |
| Remark*                                   | Only for IP67 version;Only for cable gland 19.0 mm with cable diameter 7.0 - 9.5 mm |

### Electrical parameters

|                       |     |
|-----------------------|-----|
| Nm                    | 2.5 |
| Nm with nut reduction | 2.5 |
