## Specificaties

### General characteristics

|                             |                                  |
|-----------------------------|----------------------------------|
| Enclosure type              | Angled bulkhead mounting housing |
| Size                        | 21.21                            |
| Enclosure series            | CK                               |
| Closing type                | With 1 lever                     |
| Locking mechanism           | Single locking lever             |
| Protection degree           | IP44   IP66 / IP67 / IP69        |
| Ambient lower temperature   | -40 °C                           |
| Ambient upper temperature   | 125 °C                           |
| Operation lower temperature | -40 °C                           |
| Operation upper temperature | 125 °C                           |
| Cable entry type            | side cable entry                 |
| Cable entry size            | Pg11                             |
| Position cable feed         | Side entry                       |
| Height                      | 48.3 mm                          |
| Width                       | 42 mm                            |
| Length                      | 42.5 mm                          |
