## Specificaties

### General characteristics

|                             |                                     |
|-----------------------------|-------------------------------------|
| Accessory type              | Dummy module                        |
| Operation lower temperature | -40 °C                              |
| Operation upper temperature | 125 °C                              |
| Colour                      | Grey                                |
| Remark                      | Dummy module for unused frame seats |

### Material

|                                                            |    |
|------------------------------------------------------------|----|
| Inflammability class of insulation material acc. with UL94 | V0 |
|------------------------------------------------------------|----|
