## Specificaties

### General characteristics

|                             |                          |
|-----------------------------|--------------------------|
| Enclosure type              | Surface mounting housing |
| Size                        | 44.27                    |
| Enclosure series            | V-TYPE                   |
| Closing type                | With 1 lever             |
| Locking mechanism           | Single locking lever     |
| Protection degree           | IP66 / IP67 / IP69       |
| Ambient lower temperature   | -40 °C                   |
| Ambient upper temperature   | 125 °C                   |
| Operation lower temperature | -40 °C                   |
| Operation upper temperature | 125 °C                   |
| Cable entry type            | side cable entry         |
| Cable entry size            | M20 x 2                  |
| Position cable feed         | Side entry               |
| Height                      | 53 mm                    |
| Width                       | 45 mm                    |
| Length                      | 70 mm                    |

surface mounting housing, size 44.27, V-TYPE alu, 1 lever, 2xM20 side, cover metal

|                                                            |                                                   |
|------------------------------------------------------------|---------------------------------------------------|
| Material housing                                           | Die cast aluminium alloy                          |
| Coating housing                                            | With epoxy-polyester thermosetting powder coating |
| Inflammability class of insulation material acc. with UL94 | V2                                                |
