## Ilme connectoren

hood, high, size 66.40, C-TYPE alu, 2 levers, 1xM25 side

MAO 50 X25

<https://www.ac-solutions.be/nl/product/mao50x25>

## Specificaties

### General characteristics

|                             |                                                                  |
|-----------------------------|------------------------------------------------------------------|
| Enclosure type              | Hood                                                             |
| Size                        | 66.40                                                            |
| Enclosure series            | C-TYPE                                                           |
| Closing type                | With 2 levers                                                    |
| Locking mechanism           | Double locking levers                                            |
| Protection degree           | IP65 / IP66 / IP69                                               |
| Ambient lower temperature   | -40 °C                                                           |
| Ambient upper temperature   | 125 °C                                                           |
| Operation lower temperature | -40 °C                                                           |
| Operation upper temperature | 125 °C                                                           |
| Cable entry type            | side cable entry with adapter                                    |
| Cable entry size            | M25                                                              |
| Position cable feed         | Side entry                                                       |
| Height                      | 75 mm                                                            |
| Width                       | 71 mm                                                            |
| Length                      | 82 mm                                                            |
| Remark                      | May be combined with enclosures: CHI 50 CS, CHP 50 CS, MHP 50 CS |

## Ilme connectoren

hood, high, size 66.40, C-TYPE alu, 2 levers, 1xM25 side

### Material

|                                                            |                                                           |
|------------------------------------------------------------|-----------------------------------------------------------|
| Material housing                                           | Die cast aluminium alloy                                  |
| Coating housing                                            | With epoxy-polyester thermosetting powder coating         |
| Inflammability class of insulation material acc. with UL94 | V2                                                        |
| Extra information                                          | Corrosion resistant,UV resistant,With interlocking device |
