## Specificaties

### General characteristics

|                             |                       |
|-----------------------------|-----------------------|
| Enclosure type              | Hood                  |
| Size                        | 77.27                 |
| Enclosure series            | C-TYPE                |
| Closing type                | With 2 levers         |
| Locking mechanism           | Double locking levers |
| Protection degree           | IP65 / IP66 / IP69    |
| Ambient lower temperature   | -40 °C                |
| Ambient upper temperature   | 125 °C                |
| Operation lower temperature | -40 °C                |
| Operation upper temperature | 125 °C                |
| Cable entry type            | side cable entry      |
| Cable entry size            | M40                   |
| Position cable feed         | Side entry            |
| Height                      | 79 mm                 |
| Width                       | 45 mm                 |
| Length                      | 94 mm                 |

## Ilme connectoren

hood, high, size 77.27, C-TYPE alu, 2 levers, 1xM40 side, no adaptor

|                                                            |                                                   |
|------------------------------------------------------------|---------------------------------------------------|
| Material housing                                           | Die cast aluminium alloy                          |
| Coating housing                                            | With epoxy-polyester thermosetting powder coating |
| Inflammability class of insulation material acc. with UL94 | V2                                                |
