## Ilme connectoren

hood, size 44.27, IP68 alu, screw locking, 1xM32 top

MGV 06.32

## Specificaties

### General characteristics

|                             |                    |
|-----------------------------|--------------------|
| Enclosure type              | Hood               |
| Size                        | 44.27              |
| Enclosure series            | IP68               |
| Closing type                | With 2 screws      |
| Locking mechanism           | With 2 screws      |
| Protection degree           | IP66 / IP68 / IP69 |
| Ambient lower temperature   | -40 °C             |
| Ambient upper temperature   | 125 °C             |
| Operation lower temperature | -40 °C             |
| Operation upper temperature | 125 °C             |
| Cable entry type            | top cable entry    |
| Cable entry size            | M32                |
| Position cable feed         | Top entry          |
| Height                      | 101 mm             |
| Width                       | 58 mm              |
| Length                      | 133 mm             |

## Ilme connectoren

hood, size 44.27, IP68 alu, screw locking, 1xM32 top

|                                                            |                                                             |
|------------------------------------------------------------|-------------------------------------------------------------|
| Material housing                                           | Die cast aluminium alloy                                    |
| Coating housing                                            | With epoxy thermosetting powder coating                     |
| Inflammability class of insulation material acc. with UL94 | V2                                                          |
| Extra information                                          | Corrosion resistant, UV resistant, With interlocking device |
