## Specificaties

### General characteristics

|                             |                                              |
|-----------------------------|----------------------------------------------|
| Enclosure type              | Hood                                         |
| Size                        | 77.27                                        |
| Enclosure series            | C-TYPE                                       |
| Closing type                | With 4 pegs                                  |
| Locking mechanism           | Double locking levers                        |
| Protection degree           | IP65 / IP66 / IP69                           |
| Ambient lower temperature   | -40 °C                                       |
| Ambient upper temperature   | 125 °C                                       |
| Operation lower temperature | -40 °C                                       |
| Operation upper temperature | 125 °C                                       |
| Cable entry type            | top cable entry                              |
| Cable entry size            | M25                                          |
| Position cable feed         | Top entry                                    |
| Height                      | 58 mm                                        |
| Width                       | 43 mm                                        |
| Length                      | 93.5 mm                                      |
| Remark                      | Can only be used with a complete cable gland |

### Material

|                                                            |                                                           |
|------------------------------------------------------------|-----------------------------------------------------------|
| Material housing                                           | Die cast aluminium alloy                                  |
| Coating housing                                            | With epoxy-polyester thermosetting powder coating         |
| Inflammability class of insulation material acc. with UL94 | V2                                                        |
| Extra information                                          | Corrosion resistant,UV resistant,With interlocking device |
