## Specificaties

### General characteristics

|                             |                               |
|-----------------------------|-------------------------------|
| Enclosure type              | Hood                          |
| Size                        | 104.27                        |
| Enclosure series            | IL-BRID                       |
| Closing type                | With 2 levers                 |
| Locking mechanism           | Double locking levers         |
| Protection degree           | IP65 / IP66 / IP69            |
| Ambient lower temperature   | -40 °C                        |
| Ambient upper temperature   | 125 °C                        |
| Operation lower temperature | -40 °C                        |
| Operation upper temperature | 125 °C                        |
| Cable entry type            | side cable entry with adapter |
| Cable entry size            | M25                           |
| Position cable feed         | Side entry                    |
| Height                      | 87 mm                         |
| Width                       | 58 mm                         |
| Length                      | 120 mm                        |
