## Specificaties

### General characteristics

|                             |                      |
|-----------------------------|----------------------|
| Enclosure type              | Hood                 |
| Size                        | 44.27                |
| Enclosure series            | T-TYPE               |
| Closing type                | With 2 pegs          |
| Locking mechanism           | Single locking lever |
| Protection degree           | IP65                 |
| Ambient lower temperature   | -40 °C               |
| Ambient upper temperature   | 90 °C                |
| Operation lower temperature | -40 °C               |
| Operation upper temperature | 90 °C                |
| Cable entry type            | side cable entry     |
| Cable entry size            | M32                  |
| Position cable feed         | Side entry           |
| Height                      | 72 mm                |
| Width                       | 46 mm                |
| Length                      | 63 mm                |

## Material

# Product data sheet

## Ilme connectoren

hood, high, size 44.27, T-TYPE plastic, 2 pegs, 1xM32 side, PE-jumper

|                                                            |               |
|------------------------------------------------------------|---------------|
| Material housing                                           | Thermoplastic |
| Coating housing                                            | Uncoated      |
| Inflammability class of insulation material acc. with UL94 | V0            |
