## Specificaties

### General characteristics

|                             |                       |
|-----------------------------|-----------------------|
| Enclosure type              | Hood                  |
| Size                        | 57.27                 |
| Enclosure series            | T-TYPE                |
| Closing type                | With 4 pegs           |
| Locking mechanism           | Double locking levers |
| Protection degree           | IP65                  |
| Ambient lower temperature   | -40 °C                |
| Ambient upper temperature   | 90 °C                 |
| Operation lower temperature | -40 °C                |
| Operation upper temperature | 90 °C                 |
| Cable entry type            | top cable entry       |
| Cable entry size            | M32                   |
| Position cable feed         | Top entry             |
| Height                      | 72 mm                 |
| Width                       | 46 mm                 |
| Length                      | 76 mm                 |

## Material

# Product data sheet

## Ilme connectoren

hood, high, size 57.27, T-TYPE plastic, 4 pegs, 1xM32 top, PE-jumper

|                                                            |               |
|------------------------------------------------------------|---------------|
| Material housing                                           | Thermoplastic |
| Coating housing                                            | Uncoated      |
| Inflammability class of insulation material acc. with UL94 | V0            |
